# ***JOB ANNOUNCEMENT***

## **ENERGY AND OCEAN RESOURCES UNIT**

### **COASTAL PROGRAM ANALYST I OR II**

SAN FRANCISCO

**FULL TIME, PERMANENT POSITION**

The California Coastal Commission regulates and plans for development within offshore waters and on land along the California coast. The mission of the Commission is to provide for balanced use of the coastal zone and to protect, restore and enhance coastal and marine resources for the continuing benefit of current and future generations. The Commission reviews offshore and onshore energy activities (including oil and gas leasing, exploration and development, platforms, pipelines, marine terminals, processing facilities, liquefied natural gas (LNG) receiving terminals and regasification facilities, wave energy, wind energy, and power plants) and other offshore development (artificial reefs, aquaculture, fiber optic cables) for consistency with the policies of the California Coastal Act.

A team of staff members (the Energy and Ocean Resources Unit) develops recommendations to the Commission on energy projects, and other offshore development proposals and ocean resource issues, and carries out research and studies on energy and ocean resource policy issues. The Energy and Ocean Resources Unit also has the responsibility to carry out the Commission's Oil Spill Prevention and Response responsibilities under the Oil Spill Prevention and Response Act of 1990 (SB2040).

We are searching for an individual to join the Energy and Ocean Resources Unit to work on energy and other ocean-based projects, and ocean resource policy issues (e.g., marine managed areas).

Knowledge of ocean resources, energy, water quality, oil spill issues, the Coastal Act, and CEQA is desirable. Persons with the following education and/or work experience are preferred for the position: background in environmental or ocean planning, geography, environmental science, water quality, energy, oil spill contingency planning, marine biology, law, engineering, or related fields.

The successful candidate(s) will demonstrate strong analytical skills and the ability to research and interpret complex coastal resource issues. Strong oral and written communication skills and the ability to work as a team member are critical.

- ELIGIBILITY:** Current state employees or former state employees with transfer or reinstatement rights at the Coastal Program Analyst I or Coastal Program Analyst II levels or comparable classifications. Eligible individuals on the Coastal Program Analyst I or Coastal Program Analyst II lists are also encouraged to apply. Appointment is subject to the State Restrictions of Appointment (SROA) provisions. Applicants must clearly indicate the basis of their eligibility, including SROA, surplus, transfer, re-employment status, or list eligibility in the Examination or Title section on the State Application Form 678.
- SALARY:** Coastal Program Analyst I.....\$3,004 – \$4,516 per month  
Coastal Program Analyst II.....\$4,467 – \$5,431 per month
- CONTACT:** Alison Dettmer, Manager, Energy & Ocean Resources Unit  
(415) 904-5205
- FILING:** Position will be open until filled and may remain open for filing until following the open Coastal Program Analyst examination scheduled for November 2006. Candidates not currently on the Coastal Program Analyst list should contact the Human Resources Office or the Commission's website for information about upcoming Coastal Program Analyst testing. Applications will be screened and only those most qualified will be interviewed. No relocation expenses are offered. Submit current resume, State Application Form 678 (put job title for these positions in the Examination or Job Title section) and writing sample to:

Human Resources Office  
California Coastal Commission  
45 Fremont Street, Suite 1930  
San Francisco, CA 94105-2219
